

Christmas Party 2007

Lark in the Park also lays on a Christmas Party for the youngsters. This includes, a disco; magician; and of course Father Christmas coming along.

In December 2007 we were able to play host to just under a hundred youngsters with disabilities and special needs, at the Winter Gardens in Eastbourne. We are already planning the next one! To get involved, to help or to sponsor us please [send us a message via the website](#).
